Public Letter of Reprimand

An investigation by the Medical Board of California revealed that you failed to appreciate a possible ectopic pregnancy, fully read the pathology report, and follow up with the patient which ultimately resulted in a ruptured tubal ectopic pregnancy.

These actions constitute a violation of California B&P Code section 2234(c) – repeated negligent acts.

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.
